Health Education Center

At the Caruth Health Education Center, we specialize in preparing you for the challenges of the healthcare field. We offer a patient-care clinic for dental hygiene, an \$11 million building for the College of Orthotics and Prosthetics and a simulated hospital training facility called SCENE. The state-of-the-art mock hospital is fully equipped with patient simulators allowing students to practice clinical procedures without endangering real patients.

At HEC, we offer certificates, associate and bachelor's degrees and continuing education credits.
