Part-time program where students attend college courses at SPC or at their high school to earn credits toward fulfilling high school graduation requirements, while earning credits toward a college degree. There is no cost for application and tuition, and for Pinellas County public school students, no cost for textbooks.

Who is eligible?

Students enrolled in grades 6-12 in Pinellas County public schools, private schools and home-education programs, and who meet the qualifying high school GPA* and College Placement Test score requirements. *Pinellas County public middle school students must have at least a 3.0 unweighted high school GPA based on a minimum of seven (7) high school credits in a combination of math, science, English or social studies or at least a cumulative 3.0 unweighted GPA in a particular field of study.

What's required to enroll?

- For academic courses, a 3.0 unweighted cumulative GPA or a 3.0 in the subject area to be studied at SPC.
- For career courses, a 2.0 unweighted cumulative GPA or a 2.0 in the subject area to be studied at SPC.
- Satisfactory scores on the **College Placement Test** (CPT/PERT) or SAT/ACT.
- For classes at SPC, signature of the high school principal on the Permission for Dual Campus Coursework form indicating the student is prepared for the dual enrollment experience.
- Transportation to classes at SPC

Dual Enrollment Students...Got an Academic Plan? We do.

My Learning Plan (MLP) is an online tool available to assist you in planning out the courses you will need to complete a college degree. We recommend you meet with an advisor on an SPC campus or attend a scheduled MLP workshop to learn more. **Follow this link** for step-by-step instructions on how to create an MLP. Additional information can be found under **Student Resources**. *MLP is your road map to college success!*

To remain in the Dual Enrollment program a college GPA of 2.0 (C average) is required.

Contact your **high school counselor** to see if you are eligible to take Dual Enrollment classes at SPC.

If you successfully complete a Dual Enrollment course, you also will receive high school credit. Many Dual Enrollment classes also are offered at public and private high schools. Ask your **high school counselor** for details.

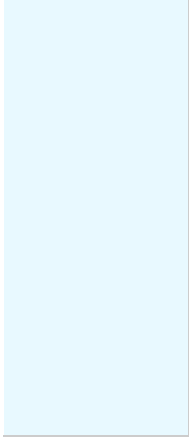

Federal law prohibits the college from releasing information regarding a student's progress in college courses to a third party without the student's written consent.

A college GPA of 2.0 (C average) is required to remain in the Dual Enrollment program.
