Dear SPC Faculty and Staff,

Due to current forecasting for Hurricane Ian, the college is extending its closure from Tuesday, Sept. 27 through Friday, Sept. 30. All St. Petersburg College campuses and offices will be closed and classes will be canceled during that time, due to preparation for, and potential impacts from, Hurricane Ian.

Updates regarding the college reopening will be dependent on any impacts to our region and will be made in the coming days. Updates will be made by email and will also be posted on the college's Facebook and Twitter accounts, the [college website](#) and our college [Emergency Preparedness site](#). The site includes resources to help you determine your evacuation zone, shelter options and how to prepare your home and family for an impending storm.

As always, the college urges you to review your emergency plan and take necessary precautions for your personal safety.

Please add our college Emergency Line, (866) 822-3978, to your cell phone contact list so you can call this number for updates. If you have not already done so, please also consider [opting in to our text messaging system](#), so we can text you with updates.

Thank you,

Rita
