STUDENT SPECIFICS

All students, guests and partners are asked to complete the [COVID-19 symptom checker self-assessment](#) prior to coming into College buildings, and comply with all policies and safety protocols. Those who seek an accommodation or adjustment to any of these policies due to a disability should contact 727-341-4510, or in the case of students seeking accommodations, your campus [Accessibility Services Coordinator](#).

DO YOU FEEL ILL OR HAVE YOU BEEN EXPOSED TO COVID-19?

Visit [the CDC website](#) where you can find multiple resources on how you can protect yourself and others, including county-by-county information. You also can find information specific to Pinellas County on [the county's website](#).

CLASSES & LABS

- The college will hold classes on campus, as well as through our fully online and LIVE Online formats. Certain clinical, lab and studio spaces will continue masking and will be marked as such.
 - Differences in fully online and LIVE Online class formats.
 - **Fully online courses** are self-paced.
 - **LIVE Online courses** offer some independent work combined with interactive video conference lessons with professors and fellow students. The SPC LIVE Online set-schedule courses provide all the benefits of face-to-face courses in a live, remote setting without leaving the comfort of your home. Benefits of SPC LIVE Online classes include:
 - Regularly scheduled times to meet virtually with professors and classmates
 - Interactive discussion forums
 - Access to course materials such as videos and PowerPoints
 - Flexibility of scheduling
 - High-quality, guided instruction
- Please note** While the SPC LIVE Online courses provide greater flexibility, they are not self-paced.

STUDENT SERVICES & ACTIVITIES

- Most campus bookstores are open, with [hours listed here](#).
- Events and activities are being held on campus and online.
- **Face-to-face student services** are open to walk-ins, while appointments are encouraged. Students are also encouraged to take advantage of virtual students services.

MAKE-UP WORK

Please do not hesitate to reach out to your instructor. They are here to help.

Reporting COVID-19 or Flu-Like Symptoms	

REPORTING COVID-19 OR FLU-LIKE SYMPTOMS

If you have been on an SPC campus and have tested positive for COVID-19:

- Students: Contact your faculty member.
- Employees: Contact your supervisor.
- Faculty: If a face-to-face student has contacted you, please contact your provost.

In addition, completing the [symptom checker self-assessment](#) each day before you arrive for work or classes is critical in ensuring that we are able to effectively contact trace.

If you answered yes to any of the questions in the symptom checker self-assessment, DO NOT come to campus. **You may return to campus according to the guidelines provided in the [CDC return criteria](#).**
