EARLY LEARNING-20 EDUCATION CODE PUBLIC POSTSECONDARY EDUCATION

**1004.65 Florida College System institutions; governance, mission, and responsibilities.—**

(1) Each Florida College System institution shall be governed by a district board of trustees under statutory authority and rules of the State Board of Education.

(2) Each Florida College System institution district shall:

(a) Consist of the county or counties served by the Florida College System institution pursuant to s.

[1000.21\(3\)](#).

(b) Be an independent, separate, legal entity created for the operation of a Florida College System institution.

(3) Florida College System institutions are locally based and governed entities with statutory and funding ties to state government. As such, the mission for Florida College System institutions reflects a commitment to be responsive to local educational needs and challenges. In achieving this mission, Florida College System institutions strive to maintain sufficient local authority and flexibility while preserving appropriate legal accountability to the state.

(4) As comprehensive institutions, Florida College System institutions shall provide high-quality, affordable education and training opportunities, shall foster a climate of excellence, and shall provide opportunities to all while combining high standards with an open-door admission policy for lower-division programs. Florida College System institutions shall, as open-access institutions, serve all who can benefit, without regard to age, race, gender, creed, or ethnic or economic background, while emphasizing the achievement of social and educational equity so that all can be prepared for full participation in society.

(5) The primary mission and responsibility of Florida College System institutions is responding to community needs for postsecondary academic education and career degree education. This mission and responsibility includes being responsible for:

(a) Providing lower level undergraduate instruction and awarding associate degrees.

(b) Preparing students directly for careers requiring less than baccalaureate degrees. This may include preparing for job entry, supplementing of skills and knowledge, and responding to needs in new areas of technology. Career education in a Florida College System institution shall consist of career certificates, credit courses leading to associate in science degrees and associate in applied science degrees, and other programs in fields requiring substantial academic work, background, or qualifications. A Florida College System institution may offer career education programs in fields having lesser academic or technical requirements.

(c) Providing student development services, including assessment, student tracking, support for disabled students, advisement, counseling, financial aid, career development, and remedial and tutorial services, to ensure student success.

(d) Promoting economic development for the state within each Florida College System institution district through the provision of special programs, including, but not limited to, the:

1. Enterprise Florida-related programs.
2. Technology transfer centers.
3. Economic development centers.

4. Workforce literacy programs.
  - (e) Providing dual enrollment instruction.
  - (f) Providing upper level instruction and awarding baccalaureate degrees as specifically authorized by law.
  - (6) A separate and secondary role for Florida College System institutions includes the offering of programs in:
    - (a) Community services that are not directly related to academic or occupational advancement.
    - (b) Adult education services, including adult basic education, adult general education, adult secondary education, and high school equivalency examination instruction.
    - (c) Recreational and leisure services.
  - (7) Funding for Florida College System institutions shall reflect their mission as follows:
    - (a) Postsecondary academic and career education programs and adult general education programs shall have first priority in Florida College System institution funding.
    - (b) Community service programs shall be presented to the Legislature with rationale for state funding. The Legislature may identify priority areas for use of these funds.
    - (c) The resources of a Florida College System institution, including staff, faculty, land, and facilities, shall not be used to support the establishment of a new independent nonpublic educational institution. If any institution uses resources for such purpose, the Division of Florida Colleges shall notify the President of the Senate and the Speaker of the House of Representatives.
  - (8) Florida College System institutions are authorized to:
    - (a) Offer such programs and courses as are necessary to fulfill their mission.
    - (b) Grant associate in arts degrees, associate in science degrees, associate in applied science degrees, certificates, awards, and diplomas.
    - (c) Make provisions for the high school equivalency examination.
    - (d) Provide access to and award baccalaureate degrees in accordance with law.

Authority to offer one or more baccalaureate degree programs does not alter the governance relationship of the Florida College System institution with its district board of trustees or the State Board of Education.
