## TYPES OF **DEGREES**

### Associate Degree

This is the general term for a two-year college degree.

- Associate in Arts (A.A.) This is a 60-credithour degree that prepares students to transfer to a bachelor's degree at SPC or at a state university. If a student pursues an A.A. degree, they will take general education courses and state mandated pre-requisite courses required for the bachelor's degree.
- Associate in Science (A.S.) This degree tends to be more focused and career-oriented than an A.A. degree. While those earning an A.S. degree may complete a bachelor's degree at SPC or transfer to a state university, many programs allow students to go straight into the workforce. A.S. degree programs have specific credit-hour requirements and limitations, so be sure to consult your academic pathway as well as an advisor.

### **Bachelor's Degree**

This is the general term for a four-year college degree.

- Bachelor of Arts (B.A.) Traditionally, this degree includes general education classes, foreign language, and classes in a focused area of study. Areas which traditionally grant a B.A. degree include communications, fine arts, and social sciences. This degree type generally requires 120 credit hours, a specific portion of which must be upper division (3000 or 4000 level) classes.
- Bachelor of Science (B.S.) This degree includes general education classes and classes in a focused area of study but has not traditionally required a foreign language. Fields which traditionally grant B.S. degrees include science, business, engineering, nursing, and computer science.
- Bachelor of Applied Sciences (B.A.S.) This degree is a recent innovation and is typically a four-year degree built upon an A.S. degree. Many of these degrees are offered by state colleges and tend to be work force degrees. This means that building job qualifications and job placement are stressed as a part of the curriculum.

### Certificates

Certificates are shorter-term credentials that tend to be for specialized workforce skills. These may be a pre-degree award (part of a 2- or 4-year degree) or they may be post-graduation. Credit hours vary, with some requiring as few as 12 and others as many as 24.

### Master's Degree

Master of Arts (humanities) or Master of Science (math or science) degrees are graduate degrees in specialized academic areas. They generally involve two years of study with a variety of classes taught and require a research component. Examples include:

- M.B.A. Master's in Business Administration. This professional degree is considered a terminal (final) degree for business practitioners. Many business professionals have sought expanded skills through this practical degree meant to be used by people in the business professions.
- **M.F.A.** Master's of Fine Arts. This is a final professional degree for people working in the fine arts. Theater, music, drawing, painting, ceramic, sculpture all might have these two-year graduate degrees intended to develop artistic skills.

### Doctorate Degrees (Ph.D., Ed.D., DNP, etc.)

There are a variety of doctoral degrees, which, in many fields, is the highest academic credential. The Doctor of Philosophy (Ph.D.) is a research degree and is traditionally awarded in academic rather than practice areas (English literature, mathematics, biology or other sciences, philosophy, etc.). An Ed. D. is a doctorate in education and focuses on practice rather than research. A DNP is a doctorate in Nursing Practice

### Juris Doctorate (JD)

This is the degree conferred for the standard American three-year law school curriculum. This credential from an ABA accredited law school allows graduates to sit for state bar licensing exams.

### Center for International Programs

The Center for International Programs (CIP) offers students international opportunities around the world, as well as across the college and community.

### Study Abroad

Studying abroad is one of the most important experiences you can have. The experience allows for personal growth by changing perspectives and inviting tolerance for different cultures and peoples. It also provides you with the necessary skills to be competent global citizens in the 21st Century. Travel and earn college credit through numerous study abroad programs available through SPC and other colleges, universities, and organizations. Scholarships are available. Visit **stpe.co/studyabroad**.

### International Events

You don't have to get on a plane to experience diverse cultures – they are all around us! CIP offers activities on and off campus that will transport students to another culture. For on-campus activities, see our International Events Calendar. For off-campus opportunities, see our GoGlocal Calendar!

Think Global; Act Local. Both of these calendars can be found at **spcollege.edu/international-programs**.

### Global Citizen Program

The Global Citizen Program (GCP) is designed to provide students with the knowledge, skills, and attitudes of a competent global citizen who is ready to live and work in a diverse world. The GCP entails curricular and extracurricular components that students complete alongside degree programs. Get an edge up as you prepare to work in a diverse and global workforce! Visit spcollege.edu/international-programs.

### International Student Services

International students bring intellectual and cultural diversity to our campuses. Students from around the world make SPC their home and provide opportunities for students, faculty, and staff to hear varying perspectives in the classroom and beyond. CIP supports international students to help them succeed academically and become integrated into campus life. Visit spcollege.edu/international-programs.

### Computer Labs

Computer labs are available on campuses to meet your academic technology needs. Computers include Microsoft Office and other productivity software. You must have a valid student ID, and, in most cases, an SPC student username and password to log on to a computer. You should also use a flash drive or cloud-based account to save your work. Find out more about locations and hours at spcollege.edu/computer-labs.

### Enrollment Verifications

An enrollment verification is an official document verifying your enrollment status, attendance dates, and good academic standing. You can obtain upto-date information on your enrollment status and student loan notices online in the MySPC portal. You can:

- Download and print enrollment verification certificates to provide to third parties

To access the National Student Clearinghouse:

- Log into your MySPC portal
- Choose My Status
- Choose My Academic Status
- Select the Enrollment Verification option from the left hand menu

### Excess Hours Advisory Statement

Section 1009.286, Florida Statutes, establishes an "excess hour" surcharge for a student seeking a baccalaureate degree at a state university. It is critical that students, including those entering Florida colleges, are aware of the potential for additional course fees. "Excess hours" are defined as hours that go beyond 120% of the hours required for a baccalaureate degree program. For example, if the length of the program is 120 credit hours, the student may be subject to an excess hour surcharge for any credits attempted beyond 144 credit hours (120% x120).

All students whose educational plan may include earning a baccalaureate degree should make every effort to enroll in and successfully complete those courses that are required for their intended major on their first attempt. Florida college students intending to transfer to a state university should identify a major or "transfer program" early and be advised of admission requirements for that program, including the approved common prerequisites. Course withdrawals and/or repeats, as well as enrollment in courses nonessential to the intended major, may contribute to a potential excess hours surcharge.

### FloridaShines

FloridaShines offers an array of FREE online tools and resources designed to help students succeed in school, earn a college degree, and embark on a rewarding career. Sponsored by the Florida Department of Education, FloridaShines is also the website where SPC students may apply to be transient students at another Florida public college or university. Visit **floridashines.org**.

# ACADEMICS

### Free Tutoring and Classroom Support

The Learning Centers provide free on-site and online tutoring for writing, math, and science courses taught at SPC as well as computer assistance to help with software-enhanced coursework and/or basic computer applications. **Tutor.com**, a 24/7, on-demand service is available for free through MyCourses. Plus, the Virtual Learning Commons in MyCourses offers a number of self-learning toolkits and resources. All of this support is available whether you are doing well in a class or just need some extra assistance. Visit **spcollege.edu/tutoring**.

### Health Program Tutoring/New Initiative Program (NIP)

The New Initiative Program/Learning Support Center provides free tutoring to pre-health and health education students. Visit **spcollege.edu/ new-initiative-program**.

### Honors Program

St. Petersburg College's Honors Program provides an exemplary education and an intellectual learning community that encourages our most talented and motivated students in creative and critical thinking and developing research and leadership skills. Consider enrolling in honors classes if you:

- Are a motivated student with a good academic record (3.5 GPA, score of 120 on the reading and writing sections of college placement test)
- Want to take academically challenging classes with other highly motivated students
- Want an honors distinction on your transcript

Honors scholarships are available for qualified applicants. Visit **spcollege.edu/honors-program**.

### Learning Plan Tool

SPC has an online planning tool to help you automate picking classes that meet your degree requirements. By using the planner tool, sometimes referred to as MyLearningPlan, you will stay on track with your degree requirements. Explore our step-by-step tutorials to learn more. Visit **stpe.co/videotutorial**.

### Library

Visit your campus library for resources, research and writing assistance, wireless access, study spaces, cloud-based copiers/printers, and technology use. You can check out materials or use any of the services our campus libraries provide by using your student ID. You can also use our online library and Ask A Librarian services to perform research or request assistance at your convenience. Plus, our partnership libraries on the Clearwater, St. Petersburg/Gibbs, and Seminole campuses offer the benefits of a public library and college library, all in one. Visit **spcollege.edu/campus-libraries**.

### MyCourses Learning Management System

MyCourses is the learning management system used at SPC to help facilitate all online, live online, and hybrid/blended courses as well as the college's web-enhanced courses offered in a face-to-face environment. MyCourses is a convenient online system that provides you with many opportunities to interact with course materials as well as communicate with instructors and classmates from any device that has an Internet connection. To access MyCourses, visit **spcollege.edu** and click on "Titans Login." Use your student email address and password to log in, then click on the MyCourses tile. Courses in which you are enrolled will appear on the left side of the page. A calendar with important course dates is in the center column. Also available in MvCourses is the "Introduction to MvCourses" course. The goal of this course is to provide you with an overview of the MyCourses environment as well as give students a chance to interact with some of its most commonly used tools. The course consists of eleven modules and each one covers a specific topic related to student success and using online learning tools.

### **Online** Classes

SPC offers a robust selection of online college courses and fully online programs. Most SPC programs can be completed 100% online. Online students have access to all student support services and the opportunity to participate in college activities either on-campus or from a distance. Learn more about becoming an online student at **spcollege.edu/online**.

### Testing

Taking a College Placement Test (CPT) helps determine what reading, English, and math courses you should register for at SPC. This is not a pass/fail test. Test scores are used to help you decide what level classes you should start with to help you be more successful. SAT and ACT test scores may be used in lieu of the CPT.

The CPT is required unless you entered ninth grade in a Florida public school in the 2003-04 school year or later and graduated from a Florida public high school with a standard high school diploma or serve as an active duty member of the United States military. The college offers college placement tests (PERT, Accuplacer) free of charge for all incoming students. For testing locations and hours, including distance testing, as well as test preparation resources and more, visit **spcollege.edu/testing**.

### **Transient Students**

At SPC, there are two types of transient students. The first type is an SPC student who wishes to remain degree-seeking at SPC but take a class at another college or university to accelerate degree completion. The second type is a student who is degree-seeking at another institution but wishes to take one or more classes at SPC. Information on both types of transient students and requirements and procedures for approval can be found at **spcollege.edu/transient-students**.

### Transcripts

Your SPC transcript is the official, permanent academic record that includes the classes you have taken, grades earned for each class, honors, and degrees completed. Official transcripts may be ordered by logging into your MySPC account. Visit **spcollege.edu/transcripts**.

### Transferring to SPC

If you attended another college or university and want to attend SPC, you are considered a transfer student. To be admitted to SPC, you will need to submit official transcripts from every regionally accredited college that you've attended. It's very important that SPC receives all of your official transcripts within your first term of admission or readmission, as it may impact your ability to enroll for subsequent terms. Students enrolled in a degreeseeking program will have a one-term grace period to submit all official transcripts. Giving your complete educational history to SPC allows you to:

- · Receive credit for your previous work
- Minimize the potential for repeating courses at SPC that you already successfully completed elsewhere
- Simplify the registration process
- Save you time and money

Please note that limited-access programs may require receipt of all official transcripts for program admission, regardless of accreditation type.

### Academic Policies

### College Preparatory Courses

If your test scores indicate that some review is needed, you may be required to take college preparatory classes that do not count toward your degree. These courses teach skills in academic fundamentals, so you'll be ready to meet the challenge of college-level course work. Students who need college preparatory courses are required to take a College Success Skills course. Free tutoring also is available in the Learning Centers at each campus. For students who donot have SAT or ACT scores, the college offers placement tests (PERT, Accuplacer) free of charge.

If you entered ninth grade in a Florida public school in the 2003-04 school year or later and graduated from a Florida public high school with a standard high school diploma or serve as an active duty member of the United States military, then you have choices regarding college preparatory courses. Depending on your decision, you may choose to quickly complete one to two credit courses that target specific areas for improvement, take free work-at-your-own-pace classes to get ready for college-level math, reading and writing, or enroll directly into college-level classes. Our Advising Centers can provide a quick assessment to help you decide what is right for you.

### **Common Prerequisites**

If you plan to enroll in an upper-division program at SPC or transfer to an upper-division program at a state university in Florida, you will need to complete the state mandated prerequisites required for your major as part of your Associate in Arts (A.A.) degree. This means you will not have to take one set of courses to qualify for admission to one university and another set of courses for another university. Limited-enrollment programs may have GPA requirements, but course requirements will be the same across Florida institutions. You can find the requirements for about 250 university majors and track your progress toward completion through the A.A. transfer evaluation tool on the FloridaShines website at **floridashines.org**.

### Academic Appeals

Before lodging a grievance or appeal, you are encouraged to seek an informal resolution with the employee in the department or course faculty directly responsible for the service or department of instruction. If the matter is not resolved during the informal process, you may file a formal grievance or appeal using the appropriate steps provided at spcollege.edu/appeals. When submitting a grievance or appeal, please provide as much information and documentation as possible. For detailed information see Board of Trustees' procedure P6Hx23-4.36 (Student Grievances and Appeals), P6Hx23-4.46 (Program-Based Good Academic Standing, Academic Warning, Probation, Suspension, and Dismissal), and P6Hx23-4.461 (Academic Affairs: Academic Honesty Policies). Visit web.spcollege.edu/botrules for more information.

### Academic Honesty Policy

SPC expects you to be honest in all of your academic work. By enrolling at the college, you agree to adhere to high standards of academic honesty and integrity and understand that failure to comply with this pledge may result in academic and disciplinary action, up to and including expulsion from the college. As a member of the college community, you also have an ethical obligation to report violations of the SPC academic honesty policies you may witness. Visit **spcollege.edu/student-rights**.

### Academic Standing Policy

Good academic performance and a clear path to the finish are keys to your success at SPC. These policies, which apply to all students, have been put in place to help you stay focused on your goal and get you back on track if you falter. All degreeseeking students enrolled at SPC must adhere to the Academic Standing Policy. Visit **spcollege.edu/student-rights**.

# ACADEMICS

### Course Load

The maximum course load is 18 credit hours in regular Fall and Spring terms and 12 credit hours in the Express and Summer terms. SPC has developed the Credit Hour Commitment Model to help you determine the appropriate course load for each term. For every one credit hour enrolled, 48 hours of time should be committed. This commitment includes both time spent in class as well as time spent completing assignments and preparing for coursework. For example, a 16-week three credit hour class would require 144 total hours of commitment or nine hours for each of those 16 weeks. Classes that meet for less than 16 weeks will require larger weekly time commitments. Please see the table below. You should consider work, family, and other responsibilities when determining the appropriate course load.

Session Type	Credit Hours	Total Hour Commitment	Weekly Commitment
16-week	3	144	9 hours
10-week	3	144	14.4 hours
8-week	3	144	18 hours
5-week	3	144	28.8 hours

### Repeat Policy for College Credit Courses

You may repeat a course once for which a grade of "C" or higher has been earned. Retaking the course may be allowed if it is required for: (1) teacher recertification, (2) specifications of a regulatory agency, (3) licensure, (4) program requirements, or (5) it is to replace credit earned through examination, i.e. AP, IB scores. Repeating a course to meet program requirements must be for either the purpose of improving the grade to be considered for admission to a specific program or a significant length of time has elapsed since the course was originally taken and you need to update your knowledge to meet current program requirements. Under this provision, the highest grade earned will be used in computing the average GPA.

You may request to repeat a course following the appropriate steps at **spcollege.edu/student-rights**. See BOT Procedure P6Hx23-4.15 at **web.spcollege.edu/botrules** (Sec. I). When you attempt a course for the third or more time, you will pay the full cost of instruction (defined as the out-of-state tuition and fees rate). You may appeal the full cost provision on the basis of extenuating circumstances and on an individual basis related to financial hardship.

You may file an appeal using the appropriate steps provided at **spcollege.edu/appeals**. Be advised that on the third attempt, students MAY NOT receive a grade of "I,""W," or "X," but must receive the letter grade earned. See BOT Procedure P6Hx23-4.15 on **web.spcollege.edu/botrules** (Sec. II).

### Incomplete Policy

If you are given an incomplete (I) you will have until the end of the next full 16-week term to complete the remaining requirements and receive a permanent grade, or the grade will convert to an "F." This means if you receive an incomplete at the end of Term I, you must complete the remainder of the course work by the end of Term II. The only exception to the time frame is for an "I" granted at the end of Term II. In that instance, you would have until the end of the next 16-week term, which would be Term I of the next academic year. See BOT Procedure P6Hx23-4.15 at **web.spcollege.edu/botrules** (Sec. IV).

### Voluntary Audit/Withdrawal Policy

You must choose the option to audit a course before the end of the drop/add registration period. You may elect to withdraw voluntarily from a course through the last day to withdraw with a final grade of "W." These dates are listed in the academic calendar on the college's website. If you voluntarily withdraw after the last day to withdraw, you will receive a grade of "WF."

If you are a financial aid recipient and are thinking about dropping classes, please consult an advisor to make sure you understand the academic and financial consequences.

### Receiving Funds

You begin receiving financial aid refunds at the end of the fourth week of classes of the earliest term in which you are enrolled. If you are enrolled only in Express or Second 8-Week Module classes, your financial aid will be refunded at the end of the fourth week of that term. It is your responsibility to understand the attendance policies of all courses in which you are enrolled.

Visit spcollege.edu/receiving-financial-aid.

### Tuition and Fees

SPC deducts tuition and fees from your financial aid award directly. If your award is less than the cost of tuition and fees, you must pay the difference by the tuition due date. If you attend less than full-time during any term, your cost of attendance and financial aid award amounts will be adjusted. This could result in a reduction or removal of loans or other financial aid.

Visit spcollege.edu/financial-aid.

### Book Line of Credit

If your financial aid exceeds your tuition and fee charges, you may charge up to \$800 in books and supplies using the Book Line of Credit (a shortterm, interest-free loan) at campus bookstores. The amount of your Book Line of Credit is based on projected financial aid that will be refunded at the end of the fourth week of your classes. The bookstore will have your information on file and will apply your available book charges against your student account.

Visit spcollege.edu/book-line-of-credit.

### Disbursements

Disbursements occur when SPC receives federal, state, or other funds on your behalf. These funds are disbursed to your student account to cover your tuition, fees, and Book Line of Credit charges. The disbursement date is the date you will see in MySPC; however, this is not the date your excess funds are refunded to your refund option choice.

Loan disbursements – If your loan is for fall and spring, it will be disbursed in two payments, one half during the fourth week of your fall enrollment and one half during the fourth week of your spring enrollment. If your loan is for one term only, the entire loan will be disbursed in one payment during the fourth week of your enrollment for that term.

# FINANCIAL AID

### Refunds

Refunds to BankMobile or your personal banking account occur when the amount of the disbursements received on your behalf is greater than the amount owed for tuition, fees, the Book Line of Credit and first day book charges. The excess funds will be refunded to the refund option choice you made on BankMobile. Choices include same business day deposit to the Vibe BankMobile Account (the fastest way to receive your funds) or direct deposit to your bank of choice account (funds available in 2-3 business days). Financial aid refunds begin at the end of the fourth week of classes of the earliest session in which you are enrolled. Visit **spcollege.edu/financial-aid-refunds** for refund dates and other details.

### Withdrawing from Class

CAUTION: If you are a financial aid recipient and are thinking about dropping one or more classes or withdrawing from the college, please consult a financial aid counselor first to be sure you understand the consequences of this decision. Visit **spcollege.edu/withdrawals**.

### SPC Complaint Policy

SPC is always looking for ways to improve. We are committed to providing prompt and fair resolution of all student concerns and strive to make the process of communicating such concerns as easy as possible. We take these concerns very seriously and the information below outlines this process. Examples of student complaints related to this policy include matters relating to college facilities (services received, facilities, etc.) or other services such as the college bookstore, student services, or campus cafeteria. To make a formal complaint:

- Access the college's Student Complaint website at spcollege.edu/complaint.
- 2. Complete and submit the online complaint form. If you are unable to submit an electronic form, a college employee may submit the form on your behalf.
- 3. Your complaint will be routed to the appropriate department and you will receive confirmation of receipt within 24 hours (not counting days the college is closed) that the complaint has been received.
- 4. The complaint will be processed and you will be notified of the resolution in writing.

Academic appeals and student grievances are not considered complaints and should be lodged through the formal student grievance/appeal process found in the SPC Board of Trustees Rules and College Procedures (P6Hx23-4.36). If you have an academic grievance or appeal, please utilize this process. Visit **spcollege.edu/student-rights** for more information.

### Conduct

SPC students are expected to conduct themselves in a manner that will reflect credit to the college, the community, and themselves. Each student, by registering, assumes the responsibility to become familiar with and abide by the general regulations and rules of conduct outlined at **spcollege.edu/student-rights**.

### Controlled Substances, Alcoholic Beverages, Tobacco, and Smoking

The SPC Code of Conduct prohibits the possession or consumption of alcoholic beverages, and/or the use, possession, sale, barter, exchange, gift, distribution, or other transaction of any drugs which would be in violation of state or federal law at any college-related event. Smoking and/or the use of any tobacco is prohibited in all College facilities and on all College property, without exception, including but not limited to, all buildings and portions of buildings owned or leased by the College, including, without limitation, atria, entry ways and enclosed hallways within buildings. Outdoor areas include, but are not limited to, parking lots, grounds, rooftops, plazas, courtyards, entrance and exit ways, and any other areas of the College campus. See BOT Procedure P64x23-1.37. The priority of the College with respect to alcohol, drugs, tobacco, and smoking is to ensure the safety and well-being of students and comply with all applicable laws. Sanctions for violations can include, in severe cases, suspension and dismissal from the College, as well as criminal penalties related to Florida Statute Chapter 893 and/or any applicable state or federal laws. Visit stpe.co/flstatutech893 for more information.

### Reporting Abuse of a Minor

Under Florida Law, all persons have a legal obligation to report suspected instances of child abuse, neglect or abandonment, regardless of whether an alleged perpetrator is the child's parent, legal custodian, caregiver or other person responsible for the child's welfare. Get more information on reporting obligations at the Florida Abuse Hotline (1-800-962-2873) or online via the website Florida Department of Children and Families website.

In addition, Florida college administrators are obligated to timely report, under penalty of law, any knowledge or reasonable suspicion that an abuse, neglect or abandonment of a minor has occurred on college property or during a college sponsored activity, event or function. All students and employees who have knowledge of, or have reasonable cause to suspect, the abuse, neglect or abandonment of a minor on campus must report such knowledge or suspicion to Campus Security (727-791-2560) and to the Campus Provost, and as

# **RIGHT-TO-KNOW**

may be appropriate, to the Florida Abuse Hotline. Remember, if there is an emergency, first dial 911 for emergency assistance, and then Campus Security. Failure to properly report may result in substantial institutional sanctions and employee discipline.

For more information regarding the definitions of abuse and neglect, sanctions for non-compliance, and reporting obligations of college employees, please see the Board of Trustees' College Procedure at Reporting Abuse of a Minor.
