HOW TO BE A SUCCESSFUL STUDENT

Attending class is vital to your success, particularly the first few days of class as you are introduced to the requirements and topics you will be covering. Therefore the college limits when you can **add classes**. Please [check our registration page](#) regarding when classes can be added.

You may drop a course through the [Drop with Refund](#) date listed on your Fee Schedule and be eligible for a refund, although withdrawing may affect your financial aid. If you are thinking of withdrawing, please speak with your instructor, an [Academic Advisor](#) or a [financial aid counselor](#).

Showing up is the first step in ensuring your academic success. **Active participation** is the next step - whether you are in a classroom or taking classes online. Each of your faculty will give details in the syllabus about their **attendance** policies. If you are going to miss a session, or be offline for any reason, please let your instructor know in advance. If you don't attend during the first two weeks of a term you will **automatically be withdrawn** from the class and this can cause serious **problems if you receive financial aid**. In fact, if you withdraw prior to completing 60% of a class and receive any form of federal financial aid (grants or loans) you will be required to repay a portion.

ATTENDANCE/ACTIVE PARTICIPATION/WITHDRAWAL POLICIES

Students classified as "No Show" for both of the first two weeks will be "administratively" withdrawn from any class which they are not attending. It is the student's responsibility to know the attendance policy of the class in which they are enrolled.

The student's financial aid will be adjusted based on their updated enrollment status.
