FACULTY180 RESOURCE PAGE

In 2014, St. Petersburg College implemented Faculty180 (SPC's digital portfolio tool) as the submission platform for full-time faculty annual evaluations. In 2015, it was rolled out for adjunct faculty. The digital portfolio platform incorporates SPC instructional evaluation criteria and course data reflection, providing an electronic archive of activities and supporting documentation to be utilized from year to year.

Evaluation forms for the 2022-2023 academic year opened on November 18th 2022 and will close on July 31st 2023 at 11:59pm.

Evaluation lists for Deans and Dept. Chairs are currently being prepared and will be posted by the end of February 2023.
