

Program Assessment Followup Report

Program: (College of) Public Safety Administration, BAS
Option: Public Safety Admin
Report Year: 2018-19

Drafted by Carol Rasor on Jul 10, 2020

Overall Introduction

By revising the questions in the Qualifying Exam that did not have positive gain scores, faculty will clarify questions and ensure the questions are linked to content in the particular course.

Program Learning Outcomes

- #1:** To develop the knowledge, skills, and abilities necessary for students to assume various leadership roles within the field of public safety administration.
- #2:** Accurately evaluate response methods related to rapidly changing environments and communities.
- #3:** Summarize ethical and legal decision making processes in public safety administration using higher order critical thinking skills.
- #4:** Analyze effective communication and problem solving practices for application to various public safety administration scenarios.

Action Plan

Completed Action Items

D. Improve Assessment Methodology			
D9. Other			
	Action Detail - Revise Qualifying Exam questions that did not have positive increases in gain scores. Explanation: Accomplished. Overview Assessment: Capstone Research Project had high scores on the PLOs: PLO #1 averaged 99.6%, PLO #2 averaged 98.2%, PLO #3 averaged 97.2% and PLO #4 averaged 95.7%. These high scores are the result of the methodology of the Capstone Research Project for students. An approach similar to a thesis committee is utilized but the committee is only the faculty member teaching the course. The students are permitted to resubmit sections for improvement of the final Capstone Research Project. Capstone Journal scores were high with an average of 99.06%. The qualifying exam had six (6) questions that needed revision due to low gain scores.	#1, #2, #3, #4	Afienko, Beck, Rasor-Cordero Aug 2020
