

FACULTY SUPPORT

Center for Excellence in Teaching and Learning (CETL) | Instructional Design, Education, And Support (IDEAS)

PROFESSIONAL DEVELOPMENT Workshops, Training, Webinars, Certifications

We provide a host of resources for our faculty that supports expansive professional development and skills sets, through self-paced workshops, webinars, training, certifications, and resources. The archive is large and depends on the time you have available, the depth of study, and the goals you may have for professional development. Each area below provides an overview of the type of content you will find.

Live Events

Join us! Keep an eye on the calendar for details on upcoming Live Events such as:

- [Outreach Institute](#)
- [Faculty360 Adjunct Learning Day](#)
- [HEACH Visits](#)
- [Learn Forward: E-Learn Showcase](#)
- [Transition & Transfer Conference](#)

On-Demand Workshops

In these online, self-paced workshops participants learn about innovative technology or teaching strategies. These workshops are available throughout each semester. Each type includes a short assessment that offers a certificate of completion. (~ 1-2 hr)

Certification Courses

These certifications and training courses are specific and directed by the department. They include:

- [Experience in Adjunct Instruction](#)
- [Teaching Online Certification](#)
- [Developing an OER Toolkit](#)
- [Disruptology in Online Course](#)
