Academic Program Assessment Reports (APAR)

1. Begin by changing the 'Report Type' to Assessments

Educational Outcomes Reports

[Admin Login](#)

This interface provides public access to all program assessments and reviews published by the Academic Effectiveness department. Published follow-ups to these reports can be found associated with the original reports. Follow-up links and publish dates occupy their own line, preceded by a blue arrow.

Program directors and administrators may use the Admin Login above to work on reports.

Select search criteria below and click Search to view results.
