Module 1 Overview

This module will teach you to navigate MyCourses as a faculty member. It reviews accessing MyCourses from the SPC site, moving between courses, navigating to the parts of a course, and understanding the areas of the MyCourses home page.

What you will review in this module:

The topic items that follow are required for completing this module:

1. View the Accessing MyCourses Video
2. Locate the Waffle Menu and pin/unpin courses in your account

3. Explore the MyCourses homepage
4. Review the Course Content tutorial
5. Explore course components and the Navbar

SCROLL DOWN and click each task below to complete these items: ✓
