Dear President Williams:

The Committee on Accreditation (COA) of the American Board of Funeral Service Education met on April 12, 2023. During that time, the COA reviewed the self study document, site visit report and institutional response to the site visit submitted as part of the re-accreditation process for St. Petersburg College Funeral Services Program. COA also had the opportunity to hear oral responses from Dr. Deanna Stentiford, Dean of Allied Health; Kevin Davis, Program Director; and Gary Brown, Faculty Member.

On behalf of the COA, I am pleased to inform you that reaccreditation of St. Petersburg College Funeral Services Program is granted for a seven (7) year period with no stipulations.

Important factors in the accreditation decision were these observations:

- Strong institutional support for the program, a supportive Advisory Board and a dedicated program director and faculty.

Congratulations on the results of your re-accreditation efforts.

Please feel free to contact me if further information is needed.

Sincerely,

Robert C. Smith III
Executive Director
