The **Cost of Attendance** is not the balance that you owe the college: it is a calculation of expected expenses during the time you are enrolled in school. It includes allowances for tuition and fees, room and board, books and supplies, transportation and other personal expenses. This is not the amount you will be billed by SPC.

The Cost of Attendance figures are the maximum amount of financial aid a student can receive per time frame listed.

If you attend less than full-time during any term, your Cost of Attendance and financial aid award amounts will be adjusted. This could result in reduction or removal of loans or other financial aid.

- * **Home** means living with one's parents.
- ** **Away** means on one's own. SPC has no campus housing.
