

Dear Tissa,

We want you to know a few things.

**1) We have the history.** [Founded in 1927, St. Petersburg College is Florida's first two-year college.](#) In 2001, SPC became the first state college in Florida to offer bachelor's degrees.

**2) We have the degrees and certificates.** We offer more than [186 degree and certificate programs](#), including many high-demand workforce certifications. We offer two year degrees that transfer to universities, a fully online associate in arts degree and bachelor's degrees to help you get ahead in your career. All of our programs are designed to get you a stable, well-paying job!

**3) We have the accreditation.** Because we are [accredited by the Southern Association of Colleges and Schools Commission on Colleges](#), credits you receive at SPC transfer to other reputable institutions like state universities. Our classes are identical in rigor and quality to those at universities.

**4) We have the value.** Our tuition is half that of state universities, so you spend less for a high-quality education. [Our low tuition, along with scholarships and grants,](#) combine to make college affordable for you and your family.

**5) YOU will have the success!** See some of our rankings:

- With an **average wage of \$51,248**, SPC ranks **#1 for highest entry-level wages among Florida community college graduates.**
- US News & World Report **Online Bachelors Program Rankings** puts **SPC at #2** among Florida state colleges.

Let us get you started! Apply now at <http://www.spcollege.edu/apply>. You will be connected right away with a dedicated career and academic advisor who will answer your questions and help you get signed up for classes in time for the [next term](#).
