

Hi, Tissa-

Did you know that **our classes cost about half as much** as the same transferrable courses at a state university? Why take a three credit-hour course at a local university that is twice as much as one at SPC?

Here are three things I want you to know about affordability at St. Petersburg College:

- **State university courses cost about twice as much** as those at SPC and private college course are much, much more.
- Our [Financial Aid advisors](#) can help you find out if you are eligible for grants and scholarships.
- We offer a [Tuition Payment Plan](#) that allows you to make monthly, interest-free payments.

COMPARE THE COST OF ONE 3-CREDIT HOUR COURSE

SPC → \$336

STATE COLLEGE → \$645

PRIVATE COLLEGE → \$4,548
