

Learn Forward, Keep Teaching

This weekly webinar is held on Wednesdays from 12:45 pm until 1:30 pm. This is a laid-back opportunity for faculty to hear about teaching and learning topics and share their ideas and experiences. Some sessions are led by a presenter and others are "open chat" where the group chooses and discusses a topic of interest. All sessions are open to everyone. Information on these events will be sent to your SPC email address or you can access more information on the calendar.
