ADMINISTRATION & LEADERSHIP

St. Petersburg College (SPC) is a multi-campus state college located in Pinellas County, Florida. SPC is a four-year public institution with seven learning sites throughout the county and serves more than 57,000 students each year. SPC is accredited by the Southern Association of Colleges and Schools. We were the first state college to offer an RN-BSN program in the nation. The College of Nursing has two programs, one pre-licensure and one post-licensure. The student population averages between 1100-1500 students per academic year.

Leadership Values| Transformational and Servant Leadership: Strategic leader who identifies needs, inspire others to vision, and execute through collaborative team effort.
