Welcome to Student Life and Leadership! Our mission is to provide transformative out-of-class opportunities for students to further develop themselves as productive citizens within their community, through diversity, leadership development, service/civic engagement, student success and wellness.

We know there's more to college than just textbooks and tests; there's also the chance to make new friends and explore your passions by joining our student clubs and organizations, attending social events and activities, and getting involved in the community. And with many online options, it's easier than ever to get involved at SPC!
