

**INSTITUTIONAL RESEARCH:
INTERACTIVE REPORTS**

Institutional Research has designed a series of interactive reports to visualize St. Petersburg College data. These reports include a five-year history focusing on student enrollment, performance, and persistence which is a great resource for trend data to answer most information requests. You can click on the filters and labels to generate specialized views. Specific definitions and data sources are provided in the information section.

Enrollment Statistics | Graduate Statistics | Graduation Rates | Academic Program and Student Performance | FCS Fact Book Dashboard | AS FETPIP Dashboard

Interactive enrollment data featuring gender, race/ethnicity, age, overall degree objective, and success rates. Expanded view of program enrollments by Academic Communities and academic organizations. [Additional Information](#)

INTERACTIVE REPORTS

Detailed data on Student Enrollment Characteristics, Degrees Awarded, Graduation and Retention Rates, and more.

COMMON DATA SETS

The Common Data Set (CDS) is a collaborative effort among postsecondary schools, colleges, universities, and publishers as represented by the College Board, Peterson's, and U.S. News & World Report to standardize data items and definitions.

FACT BOOKS

The St. Petersburg College Fact Book is intended to serve the informational needs of the College community including administration, faculty, staff, students, alumni and all other outside inquiries.
