How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Parchment, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The Blue Ribbon Symbol: The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

Invalid: If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown: Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at http://www.adobe.com.

Accreditation
The Savannah College of Art and Design (SCAD) is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award bachelor's and master's degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097 or call 404.679.4500 for questions about the accreditation of the Savannah College of Art and Design. To view a complete description of the institutional and programmatic accreditations, refer to scad.edu/accreditation.

Academic Calendar
The academic year includes four quarters, and students may enroll each quarter, including the optional summer quarter.

Quarter Hour
Each quarter credit hour requires 10 hours of instruction, and an additional 20 hours of out-of-class time by students. SCAD sometimes offers courses in a compressed time frame of less than a 10-week quarter; however, in all cases the standard for earning a quarter credit (10 contact hours, plus 20 additional out-of-class hours) is maintained.

Grading System

Letter	Quality	Undergraduate Points	Graduate Points
A	Excellent	4	4
B	Good	3	3
C	Average	2	2
D	Poor	1	0
F	Failing	0	0

Grade Point Average
Grade point average (GPA) is determined by dividing quality points earned by hours attempted. Quality points are calculated by multiplying quarter hours earned by grade weight as indicated above.

Additional Grade Codes
The following codes may appear on transcripts and do not affect a student's grade point average:

Auditing (N)
Currently enrolled degree-seeking, non-degree seeking or transient students who wish to enroll in a course, but do not want to receive a grade, may request through the registrar to audit the course, provided space is available and they are eligible to register for the course they wish to audit. To view the SCAD audit policy in its entirety, refer to scad.edu/auditing.

Exemption from Course (EX)
A student who is exempted from a required course does not earn academic credit for the exempted course and must fulfill the number of hours required to complete the degree through a course substitution from the same subject area as approved by the department chair.

Granted Course Credit (G)
Prior to fall 2010, graduate students entering directly into the Professional Master of Architecture program were allowed up to 180 hours of granted course credit dependent upon previous degree(s) earned.

No Grade (NG)
No grade submitted by faculty at this time.

Satisfactory (S)
A grade of "Satisfactory" denotes successful completion of course requirements. This code is used only for non-credit bearing courses.

Unsatisfactory (U)
A grade of "Unsatisfactory" denotes unsuccessful completion of course requirements. This code is used for non-credit bearing courses.

Temporary Grade of Incomplete (I)
A student who has suffered serious personal illness or other emergency circumstances during the academic term and is therefore unable to complete all assignments by the end of the quarter may request a grade of incomplete through the appropriate school dean. A student, who is assigned a temporary grade of incomplete, is required to complete the remainder of the unfinished coursework in a satisfactory manner by midterm of the following quarter or the grade automatically changes to an F. To view the SCAD incomplete policy in its entirety, refer to scad.edu/temporary-grade-incomplete.

Withdrawal (W)
After the end of the drop/add period and through the last day of the quarter, students may officially withdraw from a course. To view the SCAD withdrawal policy in its entirety, refer to scad.edu/withdrawal.

Transfer Credits (T)
Transfer credit is not calculated in the student's grade-point average. To view the SCAD transfer credit policy in its entirety, refer to scad.edu/transfer-credits.

Pending Transfer Credit (T1-T10)
Pending transfer credit is not calculated in the student's grade point average. These codes are used as placeholders pending student submission of documents necessary to determine transfer credit eligibility.

Courses Attempted
All courses attempted are included on the student's transcript unless dropped during the drop/add period.

Repeated Courses
All SCAD grades remain on the record, but only the highest grade earned for a repeated course is counted for credit hours earned and cumulative GPA computations, unless the course is repeatable for credit.

Atlanta College of Art
SCAD became guardian for the Atlanta College of Art (ACA) student transcripts June 5, 2006. ACA students were allowed to continue the ACA curriculum and graduate under their degree programs. ACA was on a semester system and awarded the following quality points: A = 4, A- = 3.7, B+ = 3.3, B = 3, B- = 2.7, C+ = 2.3, C = 2, C- = 1.7, D+ = 1.3, D = 1, and D- = 0.7.

Course Numbering System
100-299	Foundational undergraduate course
300-499	Advanced undergraduate courses
500-799	Graduate courses
ESL 100-699	English as Second Language courses (not for credit)
