

Achieve Career Success

Take your next step with AI-augmented career tools and support from your career community.

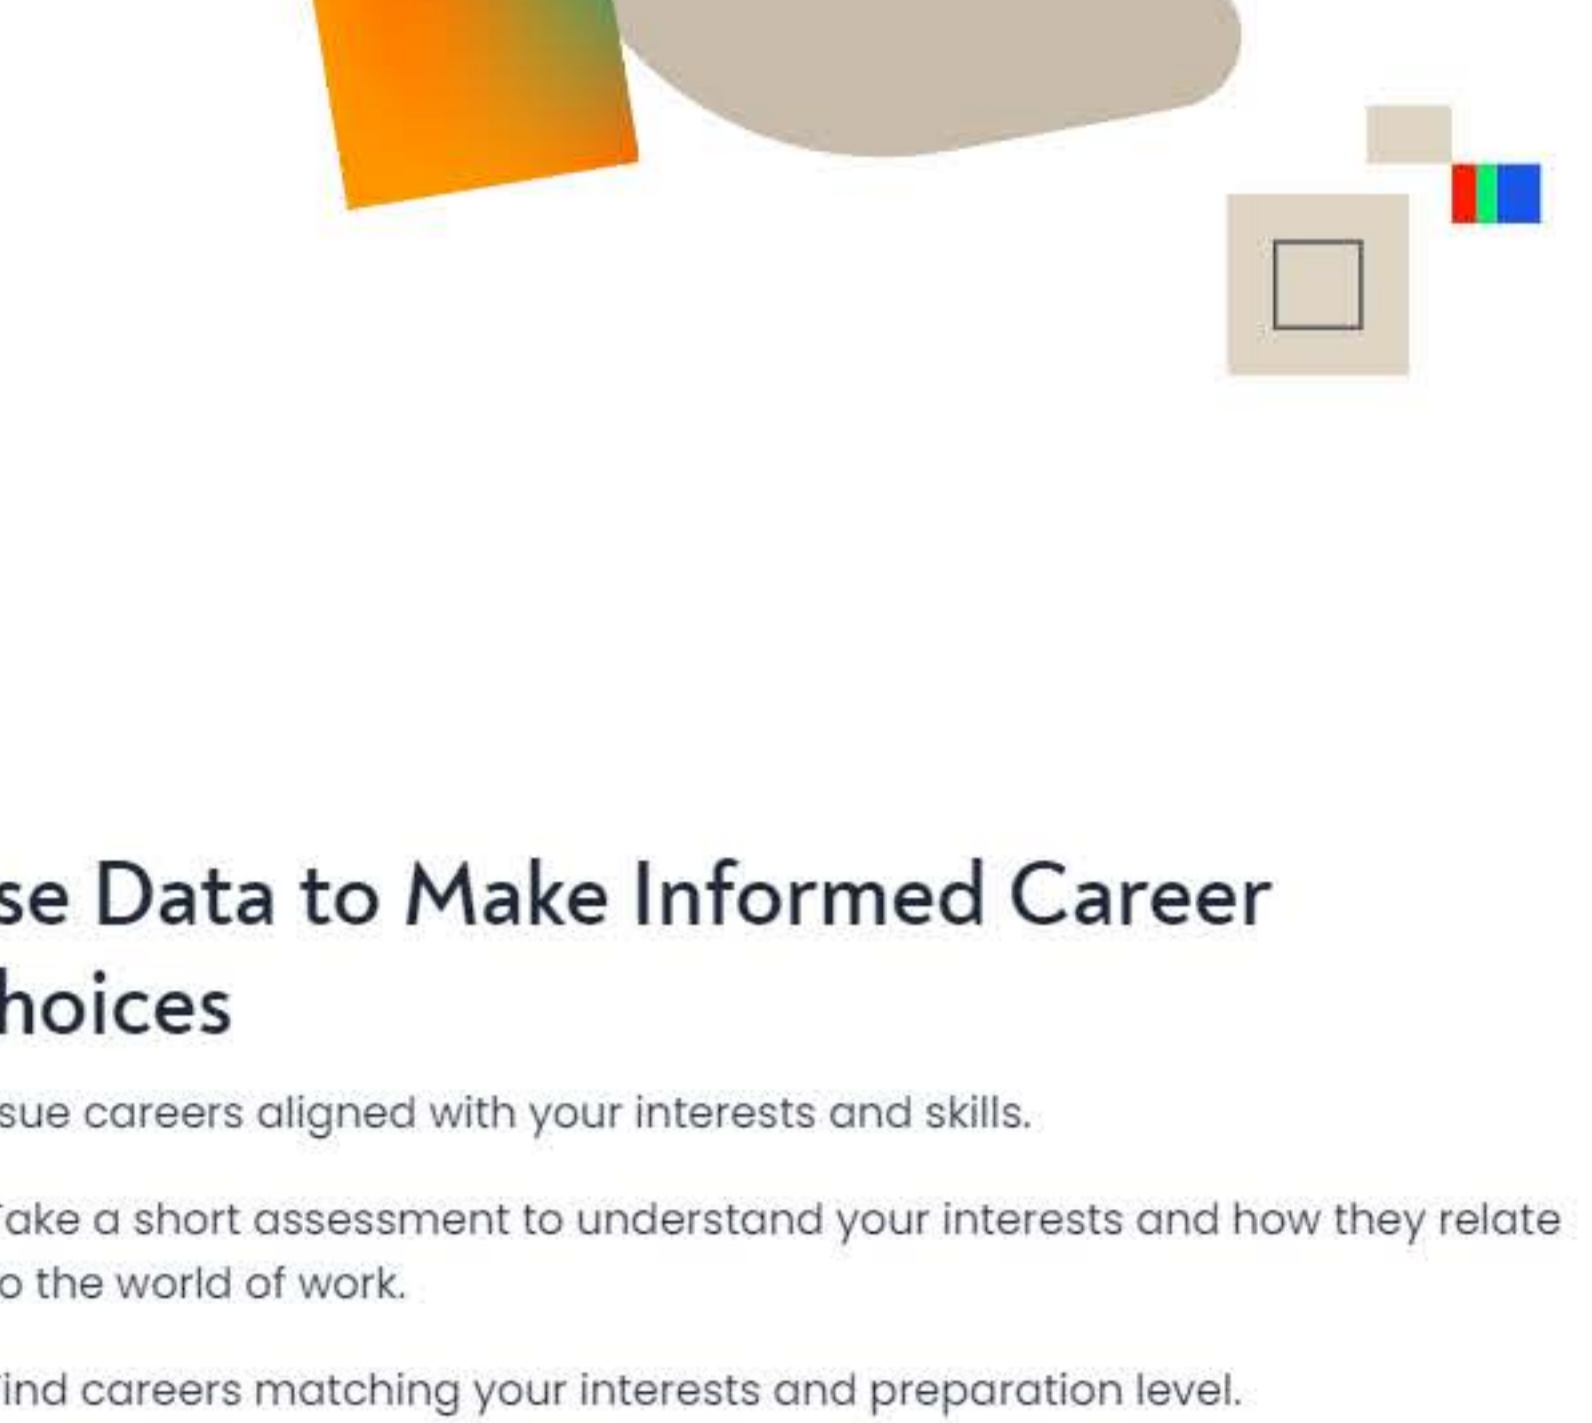

Perfect Your Professional Presentation

SkillsFirst offers a complete set of career preparation tools to help you navigate the hiring funnel and land a job.

- Create modern, keyword-optimized resumes and cover letters tailored for specific job descriptions.
- Develop an effective and engaging elevator pitch.
- Showcase your skills with an impressive career portfolio.
- Gain confidence and improve your interview skills with our video curriculum and complete interview practice tools.

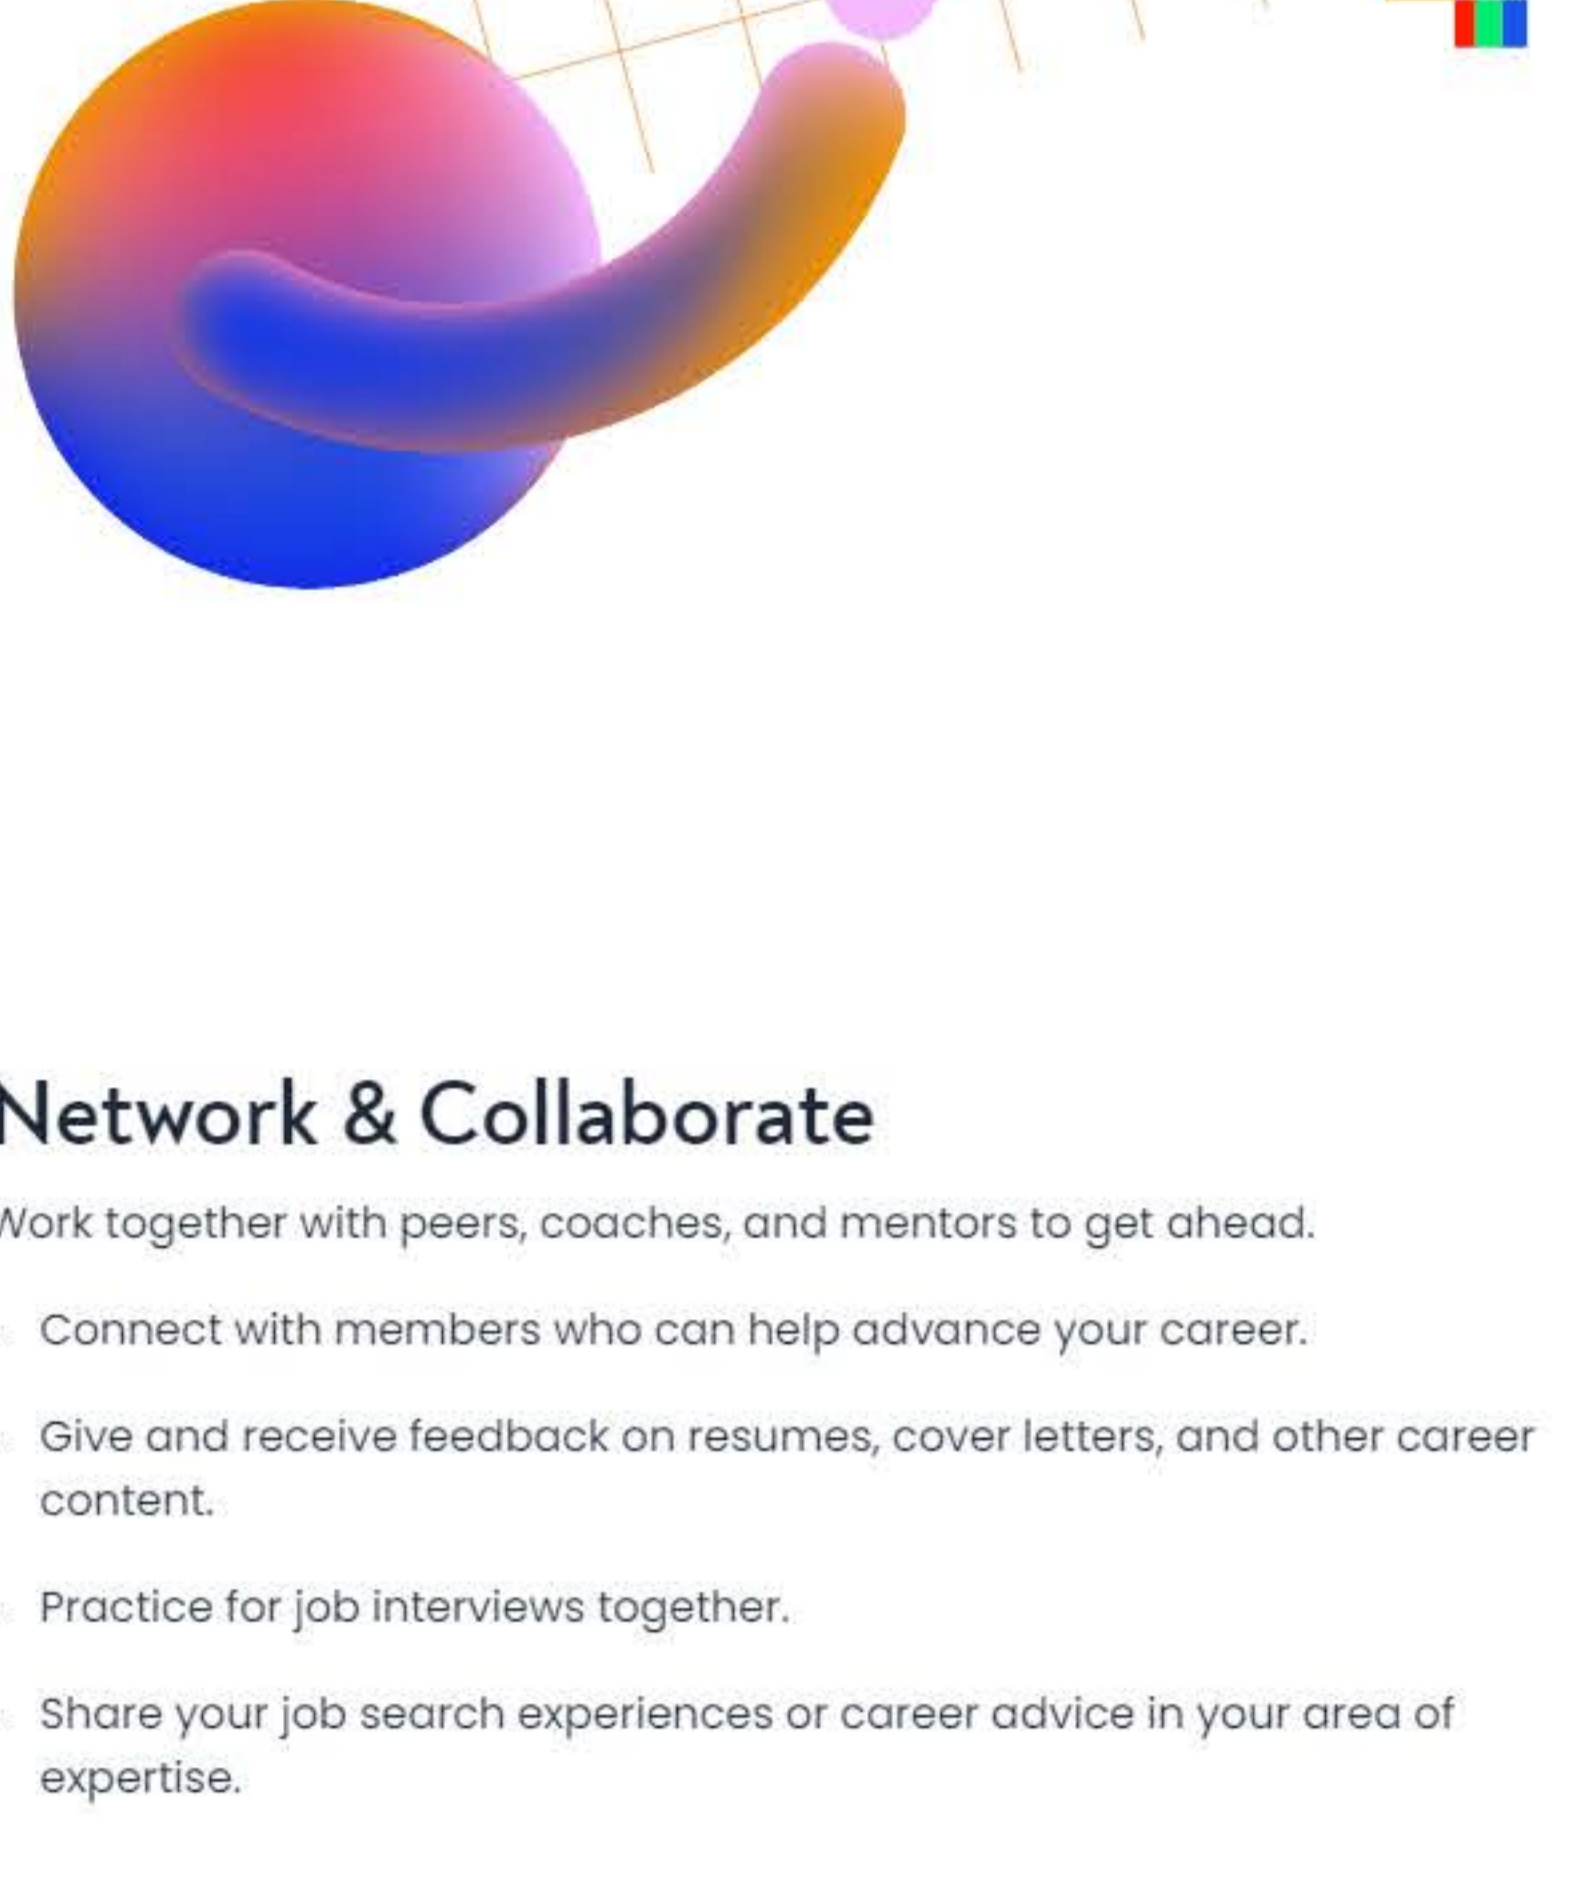

[How It Works](#)

Use Data to Make Informed Career Choices

Pursue careers aligned with your interests and skills.

- Take a short assessment to understand your interests and how they relate to the world of work.
- Find careers matching your interests and preparation level.
- Compare careers using data including educational requirements, projected growth, and wages.
- Identify target occupations and competencies.

Network & Collaborate

Work together with peers, coaches, and mentors to get ahead.

- Connect with members who can help advance your career.
- Give and receive feedback on resumes, cover letters, and other career content.
- Practice for job interviews together.
- Share your job search experiences or career advice in your area of expertise.
