

Where will a STEM degree take me?

[LEARN MORE](#)

SCIENCE

- Environmental Sciences
- Biochemistry
- Genetics Research
- Physics

TECHNOLOGY

- Virtual Reality
- Cybersecurity
- Computer Information Technology
- Computer Sciences

ENGINEERING

- Architecture
- Robotics
- Industrial Design
- Civil Engineering

MATHEMATICS

- Data Analytics
- Cryptography
- Aerospace Engineering
- Statistical Analysis

Changing the World starts with YOU!

Explore the World of STEM studies! We'll show you the road to a bachelor's degree where you'll discover a world of career possibilities.

You'll help shape our future, a future that needs people just like YOU!

What is the Bridge to Baccalaureate Program?

The TB-B2B (Tampa Bay Bridge to the Baccalaureate) Program provides resources and support to our STEM students as they work to achieve their 4-year STEM degree. The program is grant funded by the Nation Science Foundation (NSF) as part of the Louis Stokes Alliance for Minority Participation (LSAMP). Program offerings include:

- Paid Research Opportunities
- Paid Conferences
- One-on-One Tutoring
- STEM Focused Events & Activities
- Individualized Transfer Advising
- STEM Faculty Mentorship

Who is with the Bridge to the Baccalaureate Alliance?

- St. Petersburg College (SPC)
- Hillsborough Community College (HCC)
- State College of Florida Manatee-Sarasota (SCF)

All three colleges have established the Tampa Bay Bridge to the Baccalaureate (TB-B2B) Alliance through the National Science Foundation (NSF) & Louis Stokes Alliances for Minority Participation (LSAMP) program.

How Do I Qualify?

- If you are pursuing or beyond a 4-year STEM degree
- Be enrolled in an AA or AS in STEM
- Have a 2.0 GPA or higher and are in good academic standing
- Are a US Citizen/Permanent Resident
- Are an underrepresented minority
