### GETTING STARTED WITH VIRTUAL ADVISING

#### WHAT TO EXPECT

**Important note:** When connecting with the Virtual Advising Center, it's important you are able to fully engage with an advisor. We recommend you avoid visiting the Virtual Advising Center when you are engaged in another activity, such as driving, that limits your attention during the session.

Also, please have your documents prepared and ready so we can better assist you.

- After clicking on the Virtual Advising Center button, you will be asked to enter your student ID.
- You will then be signed into the Virtual Advising Center.
- When your Microsoft Teams meeting launches, click the link that is displayed on the page (make sure you remain on this page). Note: When the Advisor launches your meeting, the link will remain available for 5 minutes. Please make sure to click the link.
- Please make sure to follow the prompts on the screen to allow access to your Microphone and enter your name if prompted.
- You will meet one-on-one with an advisor for individual assistance.
- At the conclusion of the meeting, you will select leave meeting to exit.
