6Hx23-5.17 STUDENT FEES

The Board of Trustees authorizes and directs the President or his or her designee to establish, publish, collect, and budget student fees, and to establish dates for paying such fees. Unless otherwise designated, the effective date shall be prior to the starting date of registration for the term in which the fee is being assessed. Student fee amounts shall be within the limits authorized by Section 6A-14.054, F.A.C., and as provided for in the College's procedures.

All student fees and charges shall be approved by the Board of Trustees. A schedule of student fees and charges shall be updated immediately following Board action and published in the online version of the College catalog for reference by students and College staff.
