SPC's health science programs consistently produce graduates who are top performers in their fields. Our health care training programs expand prior learning by integrating theory and practice into a high quality educational experience. Our academic health programs are programmatically accredited by their [corresponding national accrediting agencies](#).

We offer bachelor's degrees, A.S. degrees, certificate programs and continuing education to broaden professional horizons.

Dental Hygiene

Our A.S. degree graduates excel on state and national licensing exams and find rewarding jobs in the field. Our B.A.S. degree is the first and only baccalaureate program in dental hygiene in Florida.

- [Dental Hygiene B.A.S. Degree](#)
 - [Dental Hygiene A.S. Degree](#)

Emergency Medical Services

Our programs are part of a progression of Emergency Medical Services education and licensing. Our EMS A.S. degree transfers to our bachelor's degrees in [Health Services Administration](#) or [Public Safety Administration](#).

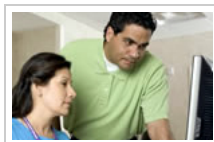

- [Emergency Medical Services A.S. Degree](#)
 - [Paramedic Certificate](#)
 - [Emergency Medical Technology A.T.D.](#)

Funeral Services and Arts

Share your compassion and learn the technical expertise and communication skills you need to provide funeral services.

- [Funeral Services A.S. degree](#)
 - [Funeral Arts Certificate](#)

Health Information Technology

Health information experts play a huge role in managing patient health information and medical records that health care providers and insurers rely on.

- [Health Data Management Advanced Technical Certificate](#)
- [Health Information Technology A.S. degree](#)
 - [Medical Coder Certificate](#)
 - [Healthcare Informatics Certificate](#)
